[ignasi.armayones@gmail.com](mailto:ignasi.armayones@gmail.com)

My training and personal experience has been aimed at developing my interests in education in the free time of children and young people and in artistic development focused on the audiovisual world. I am an individual with good observation, listening and organizational skills that enable me to be decisive. I am ambitious and enthusiastic about taking on new projects. I am motivated in various fields to know and develop my skills and aptitudes.
